

Town of Mansfield Environmental Planner Vacancy

The Opportunity

The Town of Mansfield, Connecticut, is seeking an innovative, dynamic, and experienced professional to serve as the Environmental Planner for the Town of Mansfield. This position is responsible for independently performing intermediate to complex, professional and technical work in the administration of planning and natural resources management activities. This class is also accountable for performing a full range of tasks in the technical review and analysis of environmental program data and issues, developing recommendations for courses of action and assisting with the implementation of policy and program decisions. Duties also include acting as the Inland Wetlands Agent and may act as the Zoning Enforcement Officer (ZEO) as appropriate and in the absence of the ZEO. This position works under the direction of the Director of Planning and Development and lead technical and clerical staff as assigned.

To be considered, the successful candidate will have six (6) years of experience involving technical analysis and interpretation of environmental program data or planning and implementing environmental programs. College training in a scientific or technical discipline related to the environmental field including but not limited to the biological, earth, or physical sciences; environmental planning; environmental law; economics; leisure services; geographic information systems; geography; natural sciences; or natural resources may be substituted for experience on the basis of fifteen (15) semester hours equaling one-half (1/2) year of experience to a maximum of four (4) years for a Bachelor's degree. A Master's degree in a scientific or technical discipline related to the environmental field including but not limited to the biological, earth, or physical sciences; environmental planning; environmental law; economics; leisure services; geographic information systems; geography; natural sciences; or natural resources may be substituted for five (5) years of experience. Note: Education may only be substituted for a total of five (5) years. Incumbents in this class may be required to travel are required to possess and retain a valid Motor Vehicle Operator's license. Employees in this class are required to work hours outside of the regularly scheduled work week in order to attend various evening commission, board and council meetings as well as weekend special events. The successful candidate will maintain Mansfield's tradition of excellent public service and collaboration. The full Job Description for this class and be found in its entirety of the Town's Human Resources website. Applicants are subject to a full background check.

About Mansfield

Mansfield is a community of roughly 26,000 located in the northeastern portion of Connecticut; part of The Last Green Valley National Heritage Corridor (www.tlgv.org). Home to the University of Connecticut (UConn), Mansfield offers a blend of rural, suburban, and urban living in a vibrant university setting. Residents and visitors enjoy a variety of cultural offerings within a walkable town center, as well as an abundance of parks, forests, and other natural resources ideal for activities such as hiking, cycling, and kayaking. Our community's public schools are recognized for achievement and student-centered learning, and there are a multitude of educational and recreational opportunities to suit the lifestyle of families, young professionals and retirees. Mansfield owns and manages over 2,200 acres of land, and 600 acres of conservation easements. For more information regarding Mansfield, please visit the Town's official website
